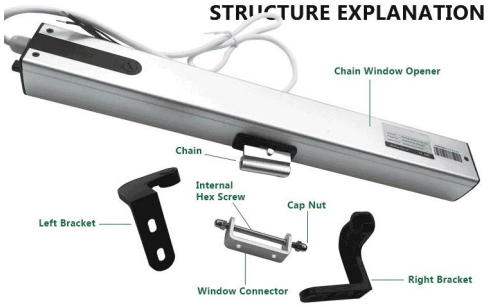
- Model Number: CW68-S300N/400mm
- Material: PC+ABS+POM
- Color: Silver
- Size: 460*42*56mm
- Rated Voltage: 24.0V
- Working voltage: AC100-240V
- Certificate: ROHS, CE, FCC

ELECTRIC CHAIN WINDOW OPENER

Electric Chain Motor is widely used for motorized sliding sash, casement and skylight window etc, particular for high place hard to manual operation, works with all kinds of remote control and realize automation operation.

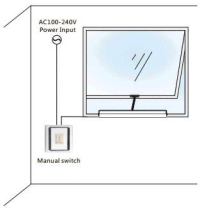
STRUCTURE EXPLANATION



DIMENSIONS

Wide voltage 100-240V AC power supply; Apply to windows mounted in high, where people hard to reach. You could eaily operate the windows with manual switch. It's safe and reliable.

Wide Voltage 100-240V AC power supply: Apply to windows are mounted in high position, where people hard to reach. You could also use wireless remote control to operate the windows with an external receiver. It's easy and smart, which meets more demands.



Features

1.宽电压100-240V交流电源输入，适合各国不同的要求。
2.调整旋钮调整行程;最大行程可以达到400mm。
3.适用于小窗户，下至470mm窗户
4.使用寿命长，开闭一万多次
5.链条材料采用双层不锈钢金属，质量稳定平稳运行。
6.铝合金外壳，喷砂处理;盖和支架是锌合金压铸件。
7.两个阻燃ABS支架和POM滑动导轨使电机更安静，更安全。
8.易于安装和取下。
