Imporving ventilazione naturale di apriporta automatici.

INTELLIGENT WINDOW PUSHER

Free your hands
live a relaxed life

AM56

- Smoke sensor on/off
- Temperature sensing on/off
- Free to set the range

Remote control

on off timer

Intelligent linkage

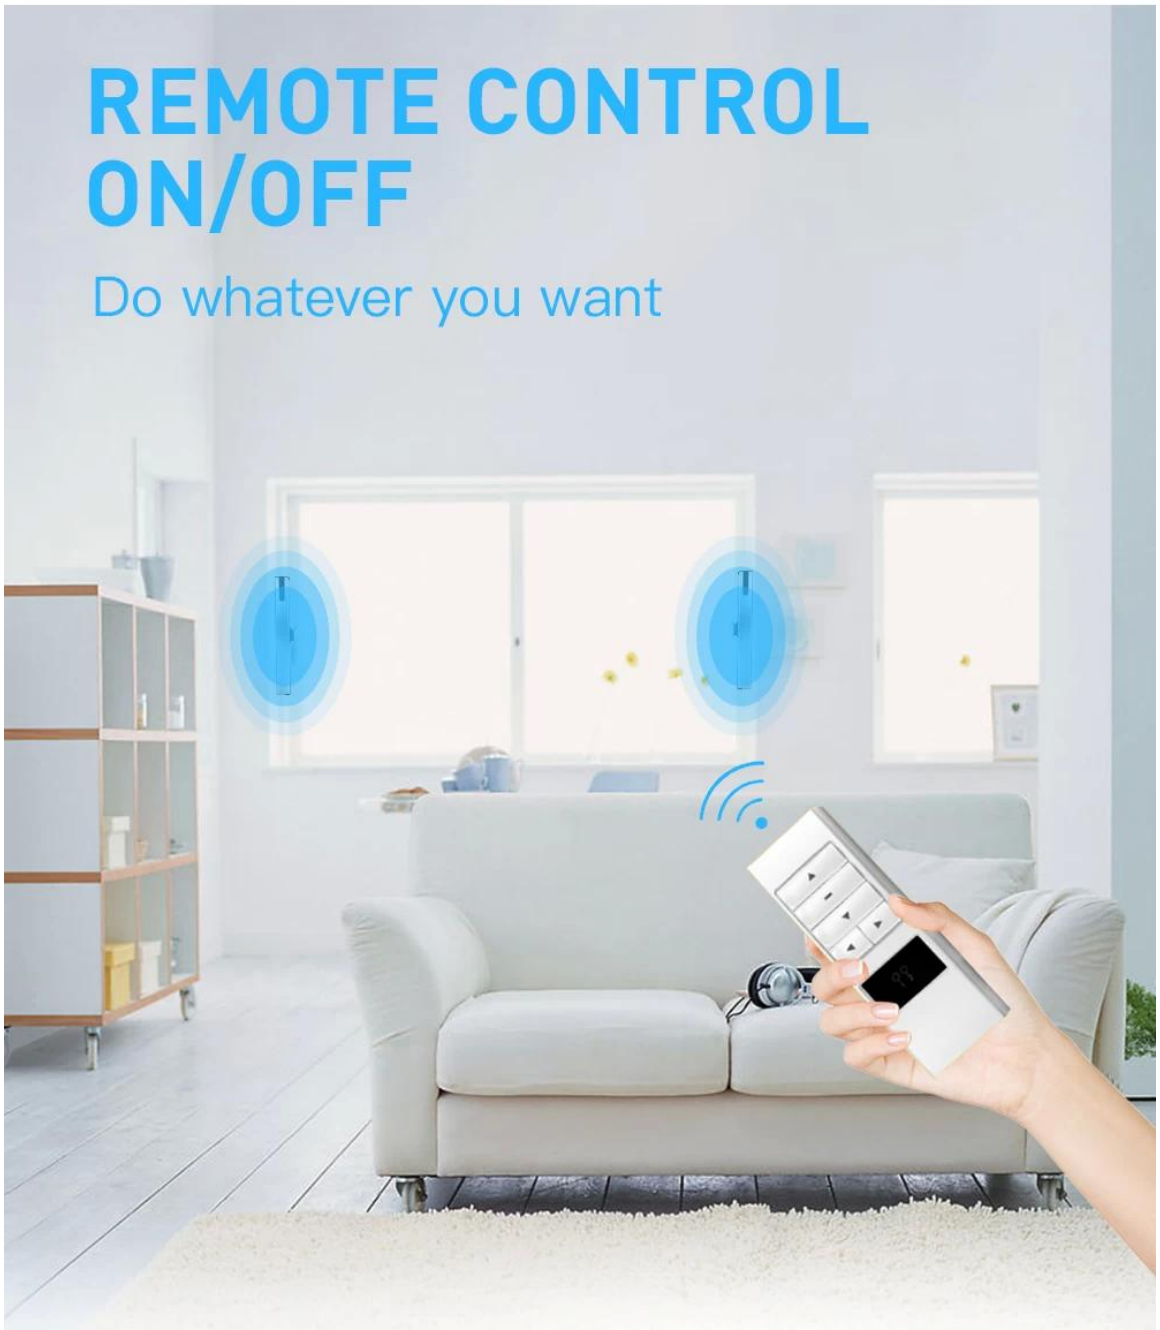
Motor self-locking

Thrust settings

Status query

Suitable for multiple

Ultra-quiet design



ON OFF TIMER
FRESH AIR ALWAYS ACCOMPANIED

Set time switch window like alarm clock, switch at any time

Get up in the morning

Leave home to work

get off work

Sleep at night

INTELLIGENT LINKAGE

After you install the OMNI smart gateway
you can link the smart window pusher with other
devices to make your life more abundant

For example, you can set the window to close
automatically when you turn on the air conditioner

500+
Intelligent device

APP
Remote control

Linked home appliances

MOTOR LOCKS AUTOMATICALLY

After closing, the motor will be locked,
and the window cannot be opened outside,
so as to better protect the safety of property

FEATURES OF OUR PRODUCTS

Our window pusher		Other's window pusher
Aluminum shell + Chain type thrust		Ordinary shell + Fixed thrust
✓		✗
The shell is made of aluminum alloy, which is corrosion resistant and not easy to rust	VS	The shell is made of ordinary iron material, easy to rust and corrosion
✓		✗
Chain-type thrust design, more stable and smooth operation		Direct push type design, unstable operation, easy to stagnate
26dB 1 meter distance measured ✓		✗ 50dB 1 meter distance measured

☑ Wide voltage power supply ☑ Journey Adjustable ☑ Super silent design ☑ Stop on obstacle

- 100-240V AC power input, suitable for global wide voltage standards
- To change the journey through the knob, the range is from 100mm to 400mm
- Installing at window width min. 470mm.
- More than 10,000 times of running.
- Double layers stainless chain makes smoothly and stable running.
- Aluminum casing is with high level surface treatment, end covers and brackets are in zinc alloy material.
- Double fireproof ABS internal casing, POM material track for chain make motor silent and safe.
