OMNI Lock

Smart Bluetooth Chain Lock

Mechanical key unlock Password button unlock APP unlock RFID unlock USB charging

This advertisement features a black chain lock with a digital display and buttons, shown in a close-up shot. The background is a gradient of blue and white. The text 'OMNI Lock' is in the top left, followed by 'Smart Bluetooth Chain Lock' in large blue letters. Below the title are five icons representing different unlock methods: a key, a button grid, a smartphone, an RFID card, and a USB symbol. The background image shows the chain lock wrapped around a motorcycle tire.

Bluetooth unlock, fast and secure.
Anti-hacking protection, secure your ride.

Aluminum alloy shell with silicone cover.

Chain lock connects to mobile for easy unlocking.

Multiple unlock options

80mm thick

This advertisement is a collage of images and text. The top section features a glowing blue Bluetooth symbol on a circuit board background. Below this, there are four main sections: 1. A close-up of the lock's aluminum alloy shell with a silicone cover. 2. A hand holding a smartphone displaying the OMNI Lock app interface. 3. A list of four unlock options: Button unlock, APP unlock, RFID unlock, and Key unlock, each with a corresponding icon. 4. A close-up of the chain link being measured by a digital caliper, showing a reading of 80.00mm.

Alloy steel

Shear and tensile resistance,
high strength.
