80mm thick

The central part of the advertisement features a glowing blue Bluetooth symbol on a circuit board background. Below this, there are four panels: 1) A close-up of the lock's shell, which is dark grey with a textured silicone cover, set against a dark, rocky background. 2) A hand holding a smartphone displaying the lock's mobile application interface. 3) A close-up of the chain link being measured by a digital caliper, showing a reading of 80.00 mm. 4) A collection of icons representing the different unlock methods: a button, a smartphone, an RFID tag, and a key.

Alloy steel

Shear and tensile resistance, high strength.

Aluminum alloy shell with silicone sleeve

High strength, impact-resistant, low-temperature resistant.

Cut-resistant

Saw-resistant

Hammer resistant

Drill-resistant.
