ADVANTAGE

Multiple features superior to the industry

The image shows a black, U-shaped bike lock with a silver metal ring. On the right side of the lock, there is a QR code and a small icon of a smartphone with a signal wave. A red RFID card with a white signal wave icon is positioned near the lock. To the right of the lock, a hand holds a smartphone displaying the 'omni' app interface. The app screen is green and shows a large white bracket icon, the text 'Unlock now', and a battery level indicator at 90%.
