Solve the charging problem in one stop

Three types of mainstream wiring and charging cables included in one machine

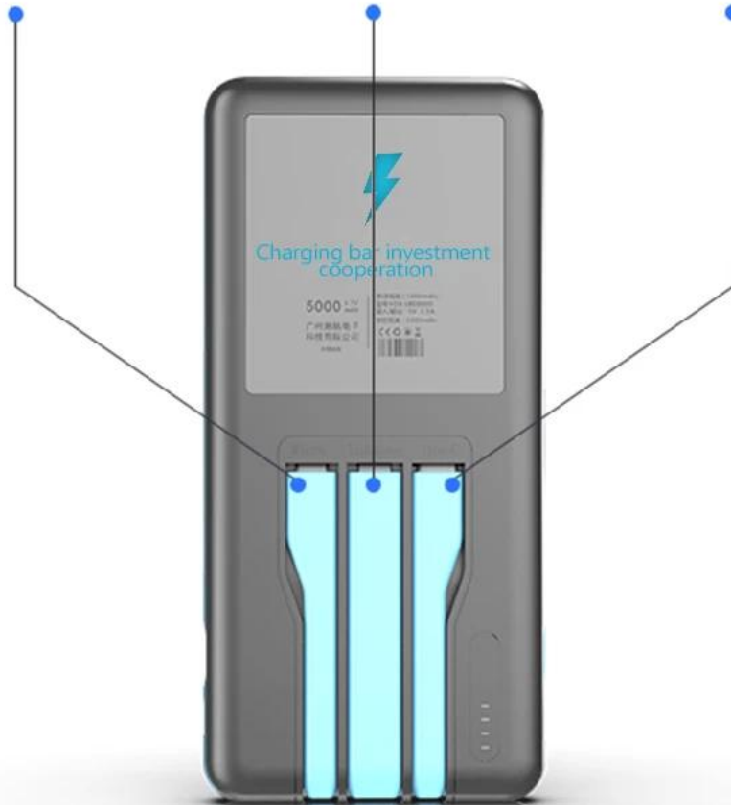

Android

Type-c

IOS

10-inch video advertising

6 groups of advertisements can be played freely
and investment promotion can be launched

Power Bank	Base
Weight:2500 g	Dimension: 355x180x133 mm
Charging Cabl: Android Huawei IOS Three-in-One	Socket Type: AC 110-220 V 50-60Hz
Battery Type: Li-Polymer Battery	Supports Solar Energy: No
Logo: Customized Logo	Logo: Customized Logo
Battery capacity: 5000mAh	Material: ABS+PC
LED Lamp Illumination	Input Interface: AC

Quick loan back and unattended

Simple operation, scan code, use without deposit, easy to use

ZHIMA CREDIT

Alipay users have a deposit of 600 points or more without a deposit

Beautiful appearance Compact design

Classic color matching simple and stylish
100 in 1 combination saves space

Cabinet with advertising screen

Ultra-clear display, supports uninterrupted advertising

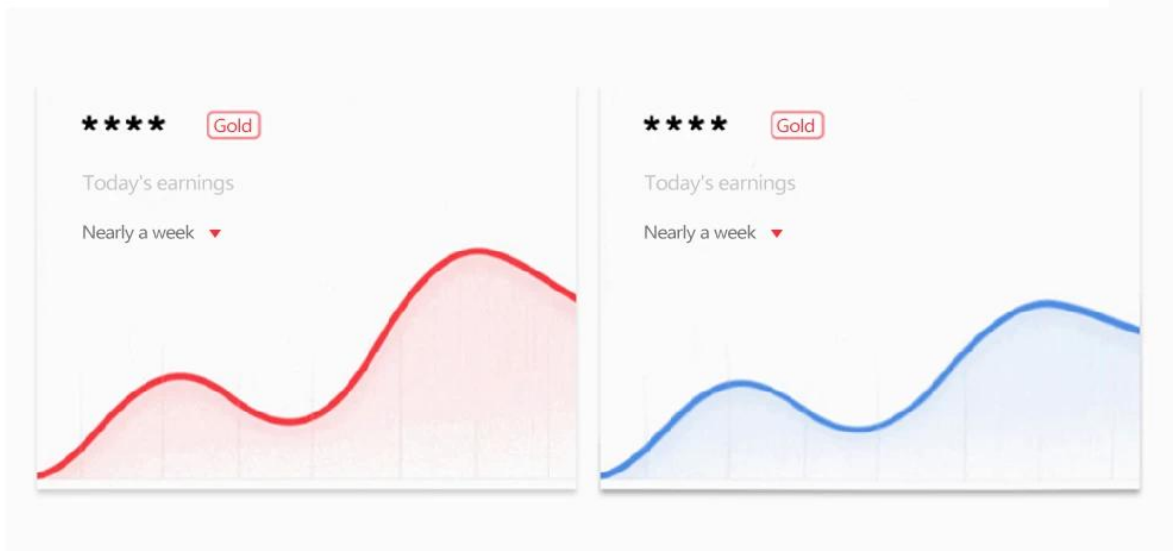

10-inch video advertising

6 groups of advertisements can be played freely and investment promotion can be launched

Double income, more stable

Video advertising player business advertising + rental income

Cloud technology and independent background app

Understand equipment status, revenue details and equipment management anytime, anywhere

Twelve layers of security protection

Low voltage polymer battery, twelvelayers of safety circuit protection, intelligent digital protection design

Overcharge protection

Over discharge protection

Overvoltage protection

Overcurrent protection

Temperature protection

Short circuit protection

Recovery protection

Anti-protection

Over power protection

Failure rate protection

Electromagnetic field protection

Delay protection

Support enterprise customization

Support custom logo, advertisement, bulk order is more favorable, please contact customer service for details

Our strength

The company independently researches and develops the shared hardware and software system of charging power bank, owns multiple invention patents, and has been tested by many authoritative testing agencies to ensure its quality.
