

OC321 RF Radio Hand-held Transmitter Emitter

Omni's hand-held [remote control](#) includes an emitter for emitting a control signal recognizable by an entertainment appliance. The transmitter emitter is relatively small and light-weight so as to be hand-held and portable—it is very convenient for your life!

Parameters

Model	Channel	Frequency	Distance	Battery	Current	Sensibility
OC321-01	1	433.92MHZ	□80m	3V CR2032	≤10mA	-100dBm
OC321-02	2	433.92MHZ	□80m	3V CR2032	≤10mA	-100dBm
OC321-06	6	433.92MHZ	□80m	3V CR2032	≤10mA	-100dBm
OC321-16	16	433.92MHZ	□80m	3V CR2032	≤10mA	-100dBm

OC321-01 Single channel

Battery Type : CR2032 (3V)
 Working temp : -20°C~+55°C
 Frequency : 433.92MHz

Transmitting power : $\leq 10\text{mW}$
 Channel quantity : Single channel
 Operation mode : Remote

OC321-02 Double channels

Battery Type : CR2032 (3V)
 Working temp : -20°C~+55°C
 Frequency : 433.92MHz

Transmitting power : $\leq 10\text{mW}$
 Channel quantity : Double channels
 Operation mode : Remote

OC321-06 Six channels

Battery Type : CR2032 (3V)
 Working temp : -20°C~+55°C
 Frequency : 433.92MHz

Transmitting power : $\leq 10\text{mW}$
 Channel quantity : Six channels
 Operation mode : Remote

OC321-16 Sixteen channels

Battery Type : CR2032 (3V)
 Working temp : -20°C~+55°C
 Frequency : 433.92MHz

Transmitting power : $\leq 10\text{mW}$
 Channel quantity : Sixteen channels
 Operation mode : Remote
