

Waterproof Bluetooth Bike Lock With Bike Security Alarm System

Bluetooth Bicycle Lock,having searched for the signal from bluetooth Smart Locks by mobile phone APP, once the bluetooth smart lock connecting with the bluetooth, bluetooth smart lock will send the command to unlock, to check the power, to check the locking status etc. Omni Intelligent is specialized in the iot devices and smart home products, as well as the customizing all kinds of smart locks. In a word, Omni Intelligent will be your ideal partner for both smart bike locks and **bike security alarm system**.

The advantage of Omni Bluetooth bike lock

- Low power consumption
- Smart lock control by your phone App,Lock manually, locking signal sent to cloud platform and then to app by Bluetooth
- Complete solution include User App,Maintenance Management APP and Backend
- Support wireless upgrade through phone, improve lock performance, modify the relevant parameters
- Vibrate or shake or movement can trigger the alarm
- Li-polymer rechargeable Battery;can powered by solar energy
- Good Anti-static, high temperature, anti-demolition□IP67 waterproof level

Product Specification

Product Name	Bluetooth bike lock	Power consumption	2~3 mA
Brand	Omni	Unlock Method	Bluetooth
Material	Aluminium alloy	Bluetooth	4.0
Size	196*150*65mm(±3mm)	Alarm	Shake, shock,move or vibrate alarm
Unit Weight	1.2KG	Led light	Red,Blue
Color	Black,Yellow,Green, Blue	Protection Grade	IP67
Battery	Li-polymer battery	Storage Temperature	-40 - +85°C
Working time	(Full charging:Riding5-10 times every day)2-3months(Optional)	Work Temperature	-20 - +65°C

Standby time	5-12months(Optional)	Humidity	5%-95%RH
--------------	----------------------	----------	----------

Product Features

Basic Feature	Vehicle status management	Vehicle number, vehicle status, delivery time, use time, number of times, number of repairs, etc.
	Power monitoring	
	GSM traffic monitoring	
	Vehicle trajectory	
	Lock position	
Unlock	Bluetooth unlocked	
Unlock Mode	Sweep code unlock	
Vehicle Use	Reservation vehicle, nearby vehicle search	
Vehicle Fault Handling	Fault reporting, fault repair	
Geo Fence	Advertising fence	
	Operating fence	
	Parking fence	
Charging Mode	5V / 1A calorie charge	(Optional)
	Solar charge (Optional)	
Remote Upgrade	Support wireless upgrade through phone	
Order Management	Deposit order, recharge order, bike order	
Abnormal Management	Over the surrounding vehicles, maintenance vehicles list	
Operation and Management	User fault feedback, illegal reporting, abnormal alarm list
